**Style 1**

## Decorative Aluminum Mailbox Highlights:

Durable no rust and no rot aluminum construction, **made in USA.**

Mailbox is an assembly of a cast aluminum top, door and nameplate with heavy extruded aluminum bottom, sides and trim.

A heavy cast aluminum scroll is used for added strength and elegance.

Post is a 3" fluted aluminum extrusion with a cast aluminum base and cap.

Stainless Steel hardware and hinges

Durable Powder coat finish, (Medium Gloss Black Polyester, Standard).

See [Mailbox Gallery](#)
